THE HECTIC BROS.

A contemporary take on acrobatic “knockabout” circus

THE SHOW!

The circus comes to town and right into your school with the brand new **Hectic Bros. Show** ! Known the world over from their European & Asian festival touring, performers from the acclaimed **Leaping Loonies** join forces with the amazing Hemlock of **Acronym Acrobatics** fame to bring you this hilarious and fast paced 50 minutes of chaos!

There's club juggling, flips, tumbles, balances, somersaults, Rolla Bolla, Unicycle, teeter boarding, and mad Slapstick comedy, that your students will simply NOT be able to tear their eyes away from! But these three super-heroes of circus (there's Casually Hectic, Constantly Hectic, and Significantly Hectic) have an important message for the world too:

'WITH A LITTLE COOPERATION & COMMUNICATION, NOTHING IS IMPOSSIBLE!'

Syllabus Outcomes & Connections!

Watch the **Hectic Bros.** closely for all of the verbal & non-verbal communication cues they use during every trick to ensure that safety, trust and teamwork are highlighted throughout. The performance is a perfect kick start to units of work in PDHPE where students are responding at Primary level to:

INSI.3 Developing positive relationships with peers,

SLS 3.13 Describing safe practices that are appropriate to a range of situations and environments,

and at Secondary level, to:

4.13 cooperation & support of others in social, recreational and other group contexts,

5.3 factors that contribute to positive, inclusive and satisfying relationships.

A WARNING!

Naturally, the kinds of tricks performed in this show must not be attempted without proper training, and while this is highlighted very strongly by the **Hectic Bros.** throughout the performance, your students will definitely come to an appreciation of the importance of staying fit and strong for a healthy lifestyle, and also get inspired about what their bodies are capable of achieving with a little focus and determination, and a lot of HECTIC training!
