## Group Performance Boot Camp: Less Talk More Action!

**Presenters – Emily Beale & Rebecca Duff**

**Runs – 90 minutes**

**Maximum 25 students.**

We understand that, for most students, the initial stages of creating a group performance are the most time consuming. This workshop aims to teach students to generate ideas, use their initiative, make decisions and learn about constructive group dynamics, whilst working within a time frame.

Through the "Boot Camp" premise the workshop not only highlights the issues of time constraints but teaches students the importance of time management within the creative process. By creating "camp rules" we constantly link the students creative ideas back to the HSC syllabus and Marking Guidelines, thus, establishing a fun and innovative learning environment.

## Approaches To Acting: LeCoq Workshop

**Presenter – Emily Beale**

Give your students the advantage of being able to discuss their own experiences and learning with our LeCoq 'Approaches To Acting' workshop.
